## CONCLUSION

- Things have changed for the better with the SHAREKHAN going on-line coupled with endeavor to stream line the whole trading system, things have changed dramatically over the last 3 to 4 years. New and advanced technologies have breached geographical and cultural barriers, and have brought the countrywide market to doorstep.
- In the present scenario to compete with the Broker's would require sound infrastructure and trading as per international standards.
- The introduction of on-line trading would influence the investors resulting in an increase in the business of the exchange. It has helped the brokers handling a vast amount of transactions and this can be an efficient trading, delivering, settlement system with adequate protection to investors. The trading of SHAREKHAN of the first day was Rs. 1.8 crores.
