Memorandum of Understanding

Between

Manna Biotech Private Limited Hyderabad

and

The Department of Life Sciences,

Ideal Degree College for Women

This Memorandum of Understanding (MOU) sets the terms and understanding between the **Manna Biotech Private Limited**, Hyderabad, and **The department of Life sciences, Ideal Degree College For Women** to establish Academic and Professional exchanges

Background

Though there is a huge demand globally for skilled graduates, the insufficient support for laboratory infrastructure upgradation in academia, the inability to give good dissertations or academic projects for graduates, lack of industry exposure for students make them unemployable. To Create an ecosystem that leads to academic achievements through industry collaboration and establish a knowledge network that will pave the way to sustainability.

Purpose

Both the partners have found it mutually beneficial to explore cooperative activities for the following purposes:

- Organization of workshops / Training programmes, internships, whenever it is possible.
- Collaboration in research activities of faculty for fulfillment of projects.

Term and References (TOR'S)

All material that have been provide during the course or copy writer and should not be reproduce without knowledge of Manna Biotech

Duration and Schedule: The classes will be conducted over different time periods by the client Manna Biotech Private Limited . The schedule may be adjusted by mutual agreement.

 4-7-40/2/A/NR, 4th Floor, SMS Plaza, Bapuji Nagar, Main Road, Nacharam, Hyderabad - 500 076, Telangana State, India.

 040-35010239 | CIN : U73100TG2021PTC151489

Resources and Infrastructure: The Manna Biotech agrees to provide necessary teaching materials, including lecture notes, and access to relevant databases. The Recipient shall ensure that students have access to required and internet connectivity for practical sessions. However the Students are asked to bring their own laptops.

Faculty and Support Staff: The Manna Biotech Private Limited will designate qualified instructor with expertise in bio informatics, specifically in sequence analysis, molecular docking, and phylogenetic tree construction.

Evaluation and Certification: Assessment of students' understanding will be conducted through regular quizzes, assignments, and a final examination. Successful participants will be awarded a certificate jointly issued by the Manna Biotech Private Limited and the - upon completion of the program.

Confidentiality: Both parties agree to treat all non-public information shared during the classes as confidential and to take appropriate measures to prevent its unauthorized disclosure.

All material that have been provide during the course or copy writer and should not be reproduce without knowledge of Manna Biotech

Reporting

It is understood that the details of the joint activities/conditions for the utilization of the results achieved, arrangements for specific visits, exchange, and all other forms of cooperation will be handled on mutually agreeable terms for each specific case.

Funding

This MOU is not a commitment of funds.

Duration

This MOU is at will and may be modified by mutual consent of authorized officials of both the organizations. This MoU enters into force for THREE years from the date of the signing. After this period, it shall be reviewed and renewed for an additional period, unless either Party notifies the other in writing its intent to terminate this MoU. This MOU shall become effective upon signature by the authorized officials from the Ideal Degree College For Women,

MANNA BIOTECH

admin@manabiotech.com
www.mannabiotech.com

Manna Biotech Private Limited, Hyderabad, and will remain in effect until modified or terminated by any one of the partners by mutual consent.

Termination: Either party may terminate this MOU by providing written notice to the other party at least one month prior to the intended termination date.

Amendments: Any amendments to this MOU must be made in writing and mutually agreed upon by both parties.
